

## STATEMENT

European Aquatics promotes inclusivity and accessibility by creating programmes which ensure there are coaches, officials and infrastructure in place to ensure an increasing number of people feel welcomed, encouraged and able to participate in sports.

European Aquatics strongly believes aquatics to be a sport, life skill and recreational activity that members of society should have access to regardless of their age, gender, ability, sexual orientation or ethnicity.

I, Rókur í Jákupsstovu, president,

**SVIMJISAMBAND FØROYA**  
Faroe Islands Swimming Association  
ÍSF-Húsið - 110 Tórshavn  
Føroyar - Faroe Islands

National Federation Faroe Islands Aquatics Federation (FRO)

pledge to support this declaration/statement.
